

Correct Deckstift CDS

Product description

The ZWEIHORN CORRECT Deckstift CDS can be used for the opaque retouching of small colour defects on coated wood and plastic surfaces. Especially suitable for the opaque coloration of corners and edges and for the exact colour matching of repaired defects. The CORRECT Deckstift CDS can also be used in the case of defects on painted surfaces.

Processing recommendations

- Shake thoroughly before use until the ball can be heard.
- Remove the cap.
- Push the felt tip several times back into the bush and wait until it is moistened with paint.
- Carry out the repair without any pressure.
- In case the felt tip becomes dry, repeat the procedure as described above.
- After use, in order to avoid drying-out, put the cap firmly on again!
- Store the CORRECT Deckstift CDS in a cool and dry place. Storable up to 12 months.
- In case the ZWEIHORN CORRECT Deckstift CDS is used every day, the tip remains in working order. If the applicator should not have been used for a longer period, the old felt tip can be pulled out and cleaned by means of a thinner. Then the cleaned tip can be inserted again.

Zweihorn products are produced for the professional user, who has a basic knowledge of the stockturn and the application of stains, varnishes, glazes and glues. The user information for our qualities given in the leaflets should be regarded as non-binding recommendations. They are based on our test series and experiences and should facilitate and promote the work of our clients. A possible necessary adjustment to the individual working conditions lies within your responsibility. If in any doubt, our material experts as well as our application and laboratory technicians will try to help you as best as they can. We guarantee of course the impeccable quality of our products based on our General Sales and Delivery Conditions. All current technical data sheets are herewith voided. The use of the final product lies entirely within the responsibility of the buyer. As long as we haven't guaranteed in writing specific characteristics and suitabilities of the products for a contractually agreed purpose, any advice or information given regarding the application, even if the advice or information is given to the best of our knowledge, will be non-binding. Nor does it relieve the buyer, either from his own inspection, and if need be through a trial processing. Furthermore, we are only liable according to Chapter 1 of our General Conditions for advice either given or rejected, which does not refer to the characteristics and use of the delivered product.
