

Correct Tuschkasten CTK

Product description

The ZWEIHORN CORRECT Tuschkasten CTK contains universal retouching paints on NC basis for the repair of smaller defects on painted wood surfaces and/or plastic surfaces (laminates, laminate sheets with and without decoration, etc.). The retouching paints are also suitable for the exact colour matching of defective spots, which have been repaired by means of CORRECT Weichwachs CWW, Hartwachs CHW or 2-K Holzspachtel. It can also be used to rebuild the missing wood texture.

Processing recommendations

- Use the red marten brush to partly dissolve the paints with the delivered nitro thinner.
- If applied thin, the paints and the mixtures have the effect of a glaze. If the application is made in several layers, opaque repairs can be made.
- CORRECT retouching paints can be mixed with each other.
- The drying time is approx. 3–5 minutes.

ICI Zweihorn products are manufactured for the professional user, who has a basic knowledge about the use and handling of stains, varnishes, glazes and glues. The user information for our qualities given in the leaflets should be regarded as non-binding recommendations. They are based on our test series and experiences and should facilitate and promote the work of our clients. A possible necessary adjustment to the individual working conditions lies within your responsibility. If in any doubt, our material experts as well as our application and laboratory technicians will try to help you as best as they can. We guarantee of course the impeccable quality of our products based on our General Sales and Delivery Conditions. All current technical data sheets are herewith voided.

The use of the final product lies entirely within the responsibility of the buyer. As long as we have not guaranteed in writing specific characteristics and suitability of the products for a contractually agreed purpose, any advice or information given regarding the application, even if the advice or information is given to the best of our knowledge, will be non-binding. Nor does it relieve the buyer, either from his own inspection, and if need be through a trial processing. Furthermore, we are only liable according to Chapter 1 of our General Conditions for advice either given or rejected, which does not refer to the characteristics and use of the delivered product.
